

NOOTJES OEFENEN - OEFENKAARTEN

Print dit uit. Knip op de blauwe lijntjes en maak kaartjes. Met deze kaartjes kan je de nootjes oefenen. Oefen eerst met de 4 kaartjes van de bovenste lijn. Laat er een randje kleur aan om ze uit elkaar te kunnen houden met de onderste kaarten. De bovenste zijn de losse snaren. Die moet je namelijk extra goed kunnen herkennen.

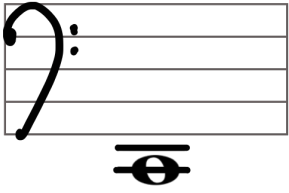

Daarna kan je oefenen met de 16 kaartjes eronder (zonder randjes) om alle noten door elkaar te leren herkennen.

Haal de kaartjes door elkaar en trek één voor één een kaartje. Weet jij welke noot dit is? Kan je ook zeggen met welke vinger op welke snaar je de noot speelt op cello?

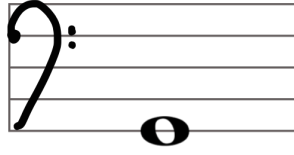

De oplossing vind je op de volgende pagina!
